MERITARE JEWELRY

We are small online women's jewelry brand based in Venice, Italy. "Meritare" in Italian means "to be worthy or deserving". We want our customers to feel like they are worthy and deserving of feeling classy, luxurious, empowering, and inspiring **no matter who they are, where they are, and what they do.**

Jewelry is an extra special piece of something that can **effortlessly brighten and elevate someone's looks and mood**, and that is what we intend to do when customers put on their products.
